Freelance Designer

Graphic Designer

Led rebrand of center identity and event; designed social and print graphics; managed risograph pre-production and printing.

Book Designer (and Author + Editor)

Conceptualized, sourced material for, and designed book based off of workshop I led with TVRP; printing and production of book.

Gallery Brochure Designer

Designed brochures for the fall and spring exhibitions across RISD's campus galleries.

Tote Bag Designer

Conceptualized two designs for a tote bag that reflected the range of RISD's graduate programs; designed chosen concept which was distributed to all graduate students.

Web Design Lead

Designed and developed the triennial website and a second promotional site within a 2-week deadline; led a small design team.

Graphic Designer

Produced print and digital materials for international students within IU brand guidelines; independently designed and animated the full onboarding series for incoming students.

Graphic Designer

Redesigned the visual identity and built templates for marketing and communications; designed the annual report cover, donor materials, research infographics, exhibition wall labels, and social media graphics, including motion design.

Graphic Designer

Designed identities and full print, spatial, and digital assets for university-wide annual conferences; developed an internal icon/logo system and templates for student-led teams; produced print, web, motion, social, email, and spatial materials for the center.
