

Avrie Allen

I am an interdisciplinary designer and visual artist with experience in teaching in higher education at RISD, community settings, and visual arts and writing tutoring. I work across (and often outside of) graphic design—including publications; website development, with particular attention to archives; installation and objects; visual, theoretical, and historical research; pedagogy; and writing. I am seeking adjunct roles for the 2026–27 academic year.

Education

Typography Summer School 2026

with Other Means studio, Michael Bierut, Julian Bittiner, Fraser Muggeridge, and Geoff Han
Brooklyn, NYC

MFA, Graphic Design

Rhode Island School of Design (RISD)

Creativity in the Age of AI 2023

Cook Gallery, Bloomington, IN

Teaching Experience

Course Instructor

Activating Networks, Gathering Knowledge

Self-designed studio-seminar course exploring network culture and how archives can function as public spheres for research and knowledge production in creative practices of all disciplines.

Wintersession 2026

RISD Graphic Design
Undergraduate +
Graduate Course
Providence, RI

Teaching Assistant

Graduate Seminar 2 with Paul Soulellis

I supported Paul in providing weekly support to students to articulate their current thesis trajectory through writing, design, and discussions.

Spring 2026

RISD Graphic Design
Graduate Course
Providence, RI

Workshop Instructor

Girlhood Zine Workshop

Developed and led a workshop on girlhood with formerly incarcerated participants affiliated with the Visiting Room Project. Utilized zine-making to explore girlhood as a means to construct identity outside of the context of incarceration.

July 2025

The Visiting Room
Project (TVRP)
Private Workshop
New Orleans, LA

Peer Tutor

Provided multimodal tutoring for written, spoken, and visual communication for students at RISD and Brown University. I received training for this role that centered anti-oppressive, decolonial, and empowering pedagogical theories and practices.

Fall 2024–Spring 2026

RISD Center for Arts
& Language
Appointment-Based
Providence, RI

Teaching Assistant

Design Studio 1 with Rene Payne

Introduced first-semester sophomores to introductory design principles across form, systems, and typography.

Fall 2025

RISD Graphic Design
Undergraduate Course
Providence, RI

Teaching Assistant

Color + Surface with Emily Rye

Introduced students to the theoretical and practical application skills of print testing, cultural and social connotations, and brand applications of color.

Spring 2025

RISD Graphic Design
Undergraduate Course
Providence, RI

Publications

Working Proof Draw Down Books 2026

Design Experience

Freelance Designer Designing a website archive of unfinished and open-ended scholarship from political theorist, author, and educator Susan Buck-Morss.	2021–Present
Book Designer (and Author + Editor) Conceptualized, sourced material for, and designed book based off of workshop I led with TVRP; printing and production of book.	The Visiting Room Project (TVRP) New Orleans, LA 5.25–12.26
Graphic Designer 1. Designed brochures for the fall and spring exhibitions across RISD’s campus galleries. 2. Conceptualized two designs for a tote bag that reflected the range of RISD’s graduate programs; designed chosen concept which was distributed to all graduate students.	1. RISD Campus Galleries 2. RISD Graduate Studies Providence, RI 5.25–1.26
Web Design Lead Designed and developed the triennial website and a second promotional site within a 2-week deadline; led a small design team.	RISD Graphic Design Triennial 2024 Providence, RI 9.24–10.24
Graphic Designer Produced print and digital materials for international students within IU brand guidelines; independently designed and animated the full onboarding series for incoming students.	Indiana University Global MarCom Bloomington, IN 5.24–1.26
Graphic Designer Redesigned the visual identity and built templates for marketing and communications; designed the annual report cover, donor materials, research infographics, exhibition wall labels, and social media graphics, including motion design.	Kinsey Institute Bloomington, IN 12.22–7.24
Graphic Designer Designed identities and full print, spatial, and digital assets for university-wide annual conferences; developed an internal icon/logo system and templates for student-led teams; produced print, web, motion, social, email, and spatial materials for the center.	Center of Excellence for Women & Tech Bloomington, IN 11.21–5.24
